NITHIN GUNDEM

Hyderabad, Telangana | nithingundemnv@gmail.com | +91-8179636458

SUMMARY

Aspiring to join a dynamic company as a full-stack developer, where I can contribute my expertise in Python, Java, JavaScript, ReactJS, and NodeJS while continuously learning and growing with the team.

TECHNICAL SKILLS

Programming Languages : Python, Java, JavaScript
Web Development : HTML5, CSS3, Bootstrap, ReactJS, NodeJS
Databases : MySQL, MongoDB
Core Concepts : Object-Oriented Programming(OOP), Data Structures and Algorithms

EDUCATION

POSTGRADUATE DEGREE   **Present**
Aurora degree & PG, Chikkadpally, Hyderabad, Telangana
MCA

DEGREE   **2020 - 2023**
Government Degree College, Telangana University, Armoor, Nizamabad
Bachelor of Science, CGPA : 8.3

PROJECTS

E-Commerce Platform
Designed and developed a scalable e-commerce web application using React for an interactive user interface and Node.js for a robust backend. Implemented secure authentication with JWT and integrated Stripe for seamless payment processing, ensuring both functionality and security.

Gate permission System
Developed a Gate Permission System web application using React for the frontend and Node.js for the backend. Implemented role-based access control for administrators and users, secure authentication with JWT, and a real-time log of entry/exit permissions. Focused on enhancing security and user management efficiency.

EXTRA-CURRICULAR ACTIVITIES

Online Programming Competitions, Regular Participant Ongoing Actively participated in platforms like LeetCode and HackerRank, solving coding challenges and improving problem-solving skills in preparation for technical interviews.
